ADMINISTRATIVE LAW JUDGE:

David D. Fleming
Division of Hearings and Appeals

Petitioner filed this appeal to contest the denial of a prior authorization request for a hospital bed. By the time of the hearing the request had been granted subject to the provider resubmitting the request to update the code for the requested bed to conform to the new diagnosis coding system that became effective October 1, 2015. This leaves no issue for resolution by the Division of Hearings and Appeals. If I have misunderstood the circumstances here, Petitioner should note the rehearing instructions below.
